

STP® HEAVY DUTY NITRITE FREE EXTENDED LIFE ANTIFREEZE/COOLANT

TECHNICAL DATA

Since 1954, STP® has been the premier American brand name for automotive additives, lubricants and performance products in the USA. STP® Heavy Duty Nitrite Free Extended Life Antifreeze/Coolant is an Organic Acid Technology (OAT) formulation that meets or exceeds ASTM requirements. This superior quality, ethylene glycol-based engine coolant is free of phosphates, silicate, nitrites, amines, and borates. It protects all cooling system metals including aluminum, as well as rubber hoses, gaskets and plastics. The product is specially formulated with industry-leading additives to provide optimum protection in heavy duty applications without the addition of SCAs, and meets nitrite free coolant requirements of many industry-leading OEMs.

Performance, Features & Benefits:	Prevents pitting caused by cavitation and corrosion of brass, copper, solder, steel, cast iron and aluminum Extended service life – up to 1,000,000 miles 20,000 hours protection Free of phosphates, silicate, nitrites, amines and borates Compatible with most major OEM brands of extended life coolants
Package Size Offerings	Concentrate 3x1 Case Part #11097 Concentrate Drum Part #10205 Concentrate Tote Part #10203 Ready-To-Use 3x1 Case Part #11098 Ready-To-Use Drum Part #10210 Ready-To-Use Tote Part #10207
Aluminum Compatibility	Yes
Contains Bitterant	Yes
Base Fluid	100% Virgin Ethylene Glycol
pH, 50% Volume Solution	8.0-8.8
Product Color	Yellow
Specifications, Approvals & Recommendations*†	ASTM D3306, ASTM 6210, CAT EC-1, SAE J1941, TMC RP329 *For a full list of performance specifications, visit www.stpcoolant.com. †Meets most performance requirements but may or may not meet certain chemical requirements.
Recommended Change Interval	Up to 1,000,000 Miles/20,000 Hours

All reasonable care has been taken to ensure that the information herein is accurate as of the date of printing. The test results listed are typical properties only. Formula and blending changes may result in slight color and appearance changes.
